Raleigh, September 7, 1852. NO MERCHANTS-IMPORTANT AND TRUE. The fact, that merchants can supply their wants in their home markets, and thus save the trouble and expense of a northern trip, being fully established the subscribers, in anticipation of a large demand for their popular Ready Made Clothing, have manufactured an unusually large stock, which, they may safely say has never been surpassed, if it has been equalled, in the southern market.

Encouraged by the very liberal patronage hitherto received, and with largely increased facilities, we are determined to keep pace with the onward spirit of the age, and to use every honorable effort to deserve our share of the "public distribution." Merchants visiting Petersburg, whether dealing in Clothing or not, are invited to visit our WHOLESALE ROOMS, now stocked with every variety of Clothing, of our own manufacture, the most modern styles, and at New York prices.
